Create Impressive Mockups For Your Customers

# Stock T-Shirt Design

With extended on-demand print license

Stock T-Shirt Designs is a library of stock graphics for garment printers which comes with an extended license to create your own on-line catalogue.

**Over 300 stunning garment orientated graphics** provides a superb library of images to offer your clients for on-demand printing. They're ideal for printing onto t-shirts, hoodies, hats, shirts and all kinds of merchandise.

Unlike any other royalty free stock, all T-shirt Designs come with permission for you to display low res thumbnails on your website. It's a great way to inspire and lure customers to your store.

## Inspire and tempt customers with great shirt designs!

Our designers have researched the market for the most popular t-shirt themes. The graphics include humour, urban, green, youth, gothic, retro, popular icons, symbols, silhouettes and much more.

The files are provided as ultra high resolution jpegs. Each graphic is also supplied in eps vector format so you can the break the graphics apart and edit its component parts - handy if you just want an element from a design.

Comes with a fully illustrated, colour booklet.

## 65 Vector Garment Mockup Templates

Covering just about every conceivable garment from caps to trousers.
